Q48 Next, we'd like to get your feelings toward some of our political leaders and media outlets. Please rate that person or organization 0 – 100 using something we call the feeling thermometer. Ratings between 50 degrees and 100 degrees mean that you feel favorable and warm toward the name. Ratings between 0 degrees and 50 degrees mean that you don't feel favorable toward the name. You would rate the person/organization at the 50-degree mark if you don't feel particularly warm or cold toward them.

If you come to a name you don't recognize, you don't need to rate it. Just move on to the next one.
